

Why a Carlton Hubbard portrait stands *WAY ABOVE* the rest.

Enhanced Retouching

Natural posing that looks and feels comfortable.

Natural, vibrant, color you won't get anywhere else.

Clear, expressive eyes that sparkle and "pop"!

Standard Retouching

Flawless, skillful retouching that eliminates all skin imperfections without that fake, plastic look.

Teeth whitened to look picture perfect!

Soft, flattering lighting both indoors and out that accents your best features.

Our photographers know how to make even the most camera-shy senior feel and look great!

Senior Portrait Sessions at Carlton Hubbard Photography.

Basic Senior - \$20

The "Basic" session includes the formal portrait for the yearbook (the tux or the drape) and one casual sitting. The casual may be the environmental, the high key, or the carousel. Just come dressed in your casual outfit. The session fee is only \$20.

Deluxe Senior - \$25

The "Deluxe" session includes the formal portrait for the yearbook and all of the casual sittings. Your casual sittings can include:

•**Environmental** - created on or near school grounds outside.

•**High Key** - an all white background that will look good with any props.

•**The Carousel** - our one of a kind background system with at least 15 different backgrounds included. (You will use one or two to match your clothing)

You will need to use at least 3 different outfits for your casual sittings. Up to 18 poses will be included for your portrait selection. Just come dressed in your first casual outfit and let the fun begin. The session fee for all of the sittings is only \$25. Bring sports props, jackets, sweaters, hobby items, pets, or even a friend to add more originality to your portraits. Take advantage of this opportunity for some great portraits.

Remember, if you place your portrait order by the deadline date you will get the "ultimate" senior privilege. You will get to select your favorite pose for your yearbook and we will make sure it is looking it's best for you.

*An "APO" or "Annual Print Only" may be created at NO charge. Proofs will not be printed and you will not be able to select yearbook pose!

Carlton Hubbard Photography knows senior portraits!

You know what you want.

Your senior portraits are a big deal to you and to us. You want to look great, have fun, and receive something that represents you. You also want to get the best value for your money.

You'll look better -WAY better- than with any other studio. Guaranteed.

Check out the photos from seniors we have photographed. We know how to relax you and get the best expressions. Then our graphic design team (we have the only in-house team I know about) will take your images and enhance them, add special effects, and just make you look better than anyone else can. We have 3 designers and they all work closely together to make sure all of our portraits get the same treatment.

Creative photographs that won't look like everyone else's.

We encourage you to bring items that will set your portraits apart from all of your friends. I have never seen an outfit that we can't make look great on our carousel, outdoors, or even on the high key. Most photographers will take you somewhere downtown where they carry all their sessions. Even if they own a studio, they don't normally have the variety that we bring to you at the schools. Our carousel has more choices on it than most studios even own.

The Best VALUE for your money.

With our new session fee, we are saving you money from the very beginning. When you add our value packages, there are even greater savings for you on your portraits. With the fun, quality and variety we offer, **Carlton Hubbard Photography** is the right choice for your senior portraits!

These 2018 Seniors looked great!

So many different portrait opportunities to look forward to this year with Carlton Hubbard Photography!
