Session Tips

- Arrive at the studio approximately 10 minutes before your session **dressed** in your first casual outfit. Bring all additional outfits on **hangers** and accessories in a bag.
- Your session time is limited - use it wisely! Change fast, spend your time in front of the camera, not in the dressing room.
- Get a good nights rest. It will show in your portraits!
- Elite sessions allow you to pick the components of the session. Do so in advance and be prepared for a fun experience.

Points to Remember!

- Please select your backgrounds when booking the session. You may do this during a visit to our studio or online at www.carltonhubbardphoto.com. Please notify us of your background selection and we will let you know which background to come dressed for to start your session.
- **Any appointment rescheduling** must be done **72 hrs before** the session to transfer the order advance fee.
- With our **Elite** sessions receiving previews; we will mail you the previews to your home. We will then call you to set up your order appointment within 2 weeks of receiving your previews. With the viewing, **YOU** will view your images directly after your portrait session and place your order. Remember, **NO** yearbook print will be supplied to the school until all **appointments** are completed. A parent must be present for this appointment since we will be explaining the packages, specials, or actually taking your portrait order.
- **Express** sessions must be prepared to have the order appointment **immediately** following the portrait session. If not prepared with a parent to order we will not be able to photograph the session.
- Missing the preview or order appointment may result in the forfeit of your non-refundable order advance. The order advance is **forfeited 30 days** after the previews are picked up. **No exceptions.**
- Our order advance is credited to your order if all deadlines are met.

Remember, the order advance is never refunded.

- After deducting the order advance, 50% of the remaining balance is due to place the order. Sales tax is never part of the minimum purchase.
 - To prevent any misunderstanding or confusion, parents are **required** to accompany their child when orders are being transacted.
- If you have a question, please ask!**

***Non-Refundable Order Advance** is due to reserve your session time. It will be applied to your purchase. Total outfits will be used only if time allows. Arrive a few minutes early & dressed for your first background.
